### 2010 BrewNZ Beer Awards Winners Announced

The Brewers Association Export Development Program (EDP), now in its seventh successful year is designed to promote US Craft Beers in targeted global markets through trade missions, shows and competitions such as the 2010 BrewNZ Beer Awards competition.

The Brew New Zealand Beer Awards are one of the pre-eminent showcases for premium beer and brewing excellence in the Asia Pacific Region. Held in Wellington each year, the Brew New Zealand Competition, New Zealand's most prestigious beer event, has become firmly established on the international brewing calendar as a renowned and recognized barometer of diversity in beer brewing across the world. In its ninth year, the Awards are run by the Brewers Guild of New Zealand, which represents the majority of New Zealand brewers.

The BrewNZ Beer Awards featured a record total of 446 entries, up from 348 entries last year, judged over three days by a panel of experts, led by US-based judge David Logsdon. Internationally recognized and New Zealand's premier beer competition, the BrewNZ Beer Awards culminated in an awards evening at the Duxton Hotel in Wellington.

Chief Judge, David Logsdon from the USA, says that the 2010 BrewNZ Beer Awards hosted the largest field of entries ever, surpassing last year's competitions by a great margin. "Brewers from around the world competed with the best of New Zealand beers in a world class challenge."
